

Mornings at Montessori

There has been a need to begin school earlier and due to our own children's schedules that has not been possible in years past. This year, however, it can work and we are going to give it a try.

The more time children are in their Montessori Environment the better!!! ☺
The children will be greeted at the car and come in as usual to begin their day!

This will be available Monday-Friday morning!

Children wishing to come at 8am instead of 8:30 may do so by paying \$350 up front for the year!

It will NOT be a drop in basis and if you do not choose to participate that is fine but your child's arrival time will not be until 8:30am and not before.

.....
_____ (my child) will be coming to school each morning
Monday – Friday at 8am to begin Montessori work!

I have paid \$350 and am aware that I may begin bringing my child as early as 8am on Monday Sept. 14th and continue to do so the entire year!

_____ (parent) _____ (date)
