

January 2008

Dear Montessori School of Middleburg Families,

Applications are now being accepted for the school year 2008-2009. We must know as soon as possible whether we can expect to have your child return or not.

The new tuition agreement is attached. Please note the tuition agreement changes. Please return this filled out and signed with your \$800 deposit as soon as possible to secure your child's place at Montessori School of Middleburg for the 2008-2009 school year.

Montessori School of Middleburg will have the option for Extended Days only for children who are in their third/fourth year or who are 5 years old or older in Sept. and an exception has been made. This is an expected part of their program and therefore the Extended Day's tuition is a part of their regular tuition with no extra charges for every Extended Day of the school year.

***We also will be continuing the Afternoon Program open to every child 16 days (approx. 2 days per month) throughout the school year. These will be on the calendar in advance for your planning and will be paid either by the year or by the day.*

Please also fill out the form below and return it to the School as soon as possible. Please feel free to call the school 687-5210 or me at home 592-7013 if you have any questions.
